

JUNE 7-9 2018, AMSTERDAM

WORLD CONGRESS OF PSYCHOTHERAPY

PSYCHOTHERAPY, STRONGER THROUGH DIVERSITY

WWW.IFP2018.COM

Welcome to Amsterdam!

The International Federation for Psychotherapy (IFP) has invited the Dutch Psychotherapy Association (NVP) to organize the 22nd World Congress of Psychotherapy on 7-9 June 2018 in Amsterdam, the Netherlands. In a rather divided world - reflected in competing theoretical perspectives in psychotherapy - we would like to stress the urge for integration and tolerance. Therefore, we chose the theme:

PSYCHOTHERAPY, STRONGER THROUGH DIVERSITY

The NVP is very proud to welcome psychotherapists from all over the world to our country. The NVP has invited scholars and experts from a variety of theoretical perspectives to cooperate in the Scientific Committee to develop a program that will be both scientifically and clinically interesting, sharing their perspectives on theory, development and research on psychotherapy.

Our [Keynote Speakers](#) are [Les Greenberg, Robert DeRubeis, Marylene Cloitre, Bruce Wampold, Jan Ilhan Kizilhan & Pim Cuijpers](#)

Nel Draijer, chair NVP
Paul Emmelkamp, president IFP
